Opposition No. _____

NOTICE OF OPPOSITION

Commissioner for Trademarks
P.O. Box 1451
Alexandria, Virginia 22313-1451

TO THE TRADEMARK TRIAL AND APPEAL BOARD:

Edvisors Network, Inc., a Massachusetts corporation, having an address of 10000 West Charleston Blvd Ste 200, Las Vegas, Nevada 89135 (hereinafter “Opposer”) believes that it has been or will be damaged by registration of the mark shown in application Serial No. 86603343 (hereinafter “the ‘343 application”) and hereby opposes the same. To the best of Opposer’s

knowledge, the current owner of the '343 application is U-ristic LLC, a California limited liability company having an address of 19111 Saratoga Glen Place, Saratoga, California 95070.

As grounds of Opposition, it is alleged that:

1. Opposer is engaged in the business of delivering information, advice and tools to students and their families so they can make informed decisions about planning and paying for college. Pursuant to this primary objective, Opposer (1) compiles, curates and publishes expert advice and information pertaining to education and finance; (2) provides online software designed to generate customized financial aid advice that is then delivered online and via electronic mail; (3) provides software tools for the purpose of matching scholarships, calculating student loans, comparing college saving strategies and finding and comparing student loans; and (4) serves as a resource to college financial aid and admissions staff as well as college bursars, registrars, advisors and counselors ("Services").

2. Opposer began using the mark EDVISORS in connection with the Services at least as early as January 1998, and has been using the mark, and other marks in the same family of marks, in connection with those services ever since. Such use has been continuous, and the mark has not been abandoned.

3. Opposer is the owner of U.S. Trademark Registration No. 4806326 for "EDVISOR" registered in International Class 009 for services described as "Computer software for application and database integration; Computer software for computer system and application development, deployment and management; Computer software for the collection, editing, organizing, modifying, book marking, transmission, storage and sharing of data and information; Computer software, namely, software development tools for the creation of mobile internet

applications and client interfaces; Downloadable podcasts in the field of education.” A copy of the Certificate of Registration issued by the USPTO for this trademark is enclosed herein as **Exhibit 1** pursuant to Trademark Rule 2.122(d)(1).

4. Opposer is the owner of U.S. Trademark Registration No. 2494006 for “EDVISORS” registered in International Class 041 for services described as “providing information about educational resources for foreign and domestic students, namely, information about educational programs, instructional technology, distance learning, exam preparation and resources for teachers, via the global computer network” and in International Class 042 for services described as “consultation services, namely, providing educational consulting services to schools, colleges, universities, corporations, foundations and states”. A copy of the Certificate of Registration issued by the USPTO for this trademark is enclosed herein as **Exhibit 2** pursuant to Trademark Rule 2.122(d)(1).

5. U.S. Trademark Registration No. 2494006 was duly issued to Opposer on October 2, 2001. Opposers first ten (10) year renewal was accepted September 19, 2011. Opposer’s ‘006 Registration is incontestable.

6. Opposer is the owner of U.S. Trademark Registration No. 3526564 for “EDVISORS” with a star logo registered in International Class 041 for services described as “[p]roviding information about educational resources for foreign and domestic students, namely, information about educational programs, distance learning, exam preparation and resources for teachers, via the global computer network”. A copy of the Certificate of Registration issued by the USPTO for this trademark is enclosed herein as **Exhibit 3** pursuant to Trademark Rule 2.122(d)(1).

7. U.S. Trademark Registration No. 3526564 was duly issued to Opposer on November 4, 2008. Opposers Section 8 & 15 Declaration was filed on June 2, 2014 and accepted on June 16, 2014. Opposer's '564 Registration is incontestable.

8. Opposer is the owner of U.S. Trademark Registration No. 3601560 for "EDVISORS" registered in International Class 035 for services described as "[p]roviding information in the field of credit monitoring; promoting the services of others by providing a webpage featuring links to the websites of others in the fields of scholarships, insurance, finance, financial consulting, financial planning, financial management, credit card services, debit card services, charge card services, credit monitoring, debt consolidation, saving plans and accounts, loans, credit counseling and retirement planning" and in International Class 036 for services described as "[p]roviding information in the fields of scholarships, insurance, finance, financial consulting, financial planning, financial management, credit card services, debit card services, charge card services, credit monitoring, debt consolidation, saving plans and accounts, loans, credit counseling and financial planning for retirement." A copy of the Certificate of Registration issued by the USPTO for this trademark is enclosed herein as **Exhibit 4** pursuant to Trademark Rule 2.122(d)(1).

9. U.S. Trademark Registration No. 3601560 was duly issued to Opposer on April 7, 2009. Opposers Section 8 & 15 Declaration was filed on June 2, 2014 and accepted on June 17, 2014. Opposer's '560 Registration is incontestable.

10. Opposer is the owner of U.S. Trademark Application Serial No. 86120647 for "ASK THE EDVISOR" filed on November 15, 2013 in International Class 036 for services described as "[f]inancial information provided by electronic means in the field of scholarships, insurance,

finance, financial consulting, financial planning, financial management, credit card services, debit card services, charge card services, credit monitoring, debt consolidation, saving plans and accounts, loans, credit counseling and financial planning for retirement; [p]roviding an interactive website featuring advice and information in the field of collegiate scholarships; [p]roviding an on-line searchable database featuring financial information about financial planning for education, scholarships, and student loan products, via the Internet; [p]roviding information in the field of personal finance; [p]roviding student loan information” (hereinafter “the ‘647 application”). This mark was published for opposition on September 29, 2015. Printed information from the TESS electronic databases of the USPTO showing the current status and title of Serial No. 86120647 is enclosed herein as **Exhibit 5**.

11. Opposer is the owner of U.S. Trademark Application Serial No. 86438125 for “EDVISORS” filed on October 29, 2014 in International Class 009 for goods described as “Downloadable documents in the field of education finance, scholarships, student loans and financial planning provided via a website; Downloadable e-books in the field of education finance, scholarships, student loans and financial planning; Downloadable fact sheets in the field of education finance, scholarships, student loans and financial planning; (Based on Intent to Use) Downloadable podcasts in the field of education finance, scholarships, student loans and financial planning” (hereinafter “the ‘125 application”). This mark was published for opposition on September 29, 2015. Printed information from the TESS electronic database of the USPTO showing the current status and tile of Serial No. 86438125 is enclosed herein as **Exhibit 6**.

12. Opposer’s marks referenced above are part of a family of trademarks all including the term “EDVISOR” in singular or plural (collectively the “EDVISORS Marks”). This family of

marks is distinctive and undiluted. A search of the TESS electronic databases of the USPTO reveals that there are only seven live pending or registered trademarks utilizing the term EDVISOR or EDVISER in the singular or plural form, of which six are owned by Opposer. The seventh record is the '343 application at issue. A current copy of the TESS search results is attached hereto as **Exhibit 7**.

13. Among the many domains owned by Opposer using the term “edvisor”, “edvisors”, “edvisers” or other alternate spellings of these terms, Opposer has owned and used the domains <http://www.edvisors.com> since October 24, 1998, <http://www.edvisors.net> since April 13, 1999, <http://www.edvisor.com> since February 6, 2004, <http://www.edvisers.com> since November 25, 2008, <http://www.edvisors.us> since November 20, 2011, and <http://www.edvizors.com> since September 23, 2013. A printed copy of the WHO IS records from GoDaddy.com showing domain registration data for the domains referenced above is attached hereto as **Exhibit 8**.

14. Since its initial use of the EDVISORS Marks, Opposer has made investments in advertising and promoting its goods and/or services under its marks. Opposer has used, advertised, promoted and offered Opposer’s services bearing the EDVISORS Marks to the public through various channels of trade in commerce with the result that Opposers customers and relevant purchasing public in general have come to know and recognize Opposer’s EDVISORS Marks and associate them with Opposer and or services offered by Opposer. Opposer has established extensive goodwill in the EDVISORS Marks through continuous use of the marks over a substantial period of time.

15. Applicant submitted intent-to-use application Serial No. 86603343 on April 20, 2015 to register EDVISER in International Class 042 as applied to “Software as a service (SAAS) services featuring software for capturing human expert advice and converting it to e-product which can be delivered online”. Printed information from the TESS electronic databases of the USPTO showing the current status and title of Serial No. 86603343 is enclosed herein as **Exhibit 9**.

16. The ‘343 application was then approved for publication and was published for opposition in the Trademark Official Gazette on September 8, 2015.

LIKELIHOOD OF CONFUSION

17. Opposer’s use and registration of the EDVISORS Marks predate the filing date of Applicant’s ‘343 application and its use anywhere.

18. As a matter of law, Applicant was on constructive notice of Opposer’s rights in the EDVISORS Marks based on Opposer’s registrations, and Applicant had such constructive notice prior to filing the application being opposed.

19. Opposer owns all four registered federal marks and two of the pending federal marks using the term EDVISORS, and there are no other federal marks with the term EDVISOR or EDVISER in plural or singular, pending or registered, other than Opposer’s marks and Applicant’s proposed mark. Due to the lack of similar registered marks, Opposer’s family of EDVISORS Marks is distinctive and undiluted. Consumers are likely to believe that any mark including the term EDVISOR or a variant thereof is part of Opposer’s family of marks. Applicant’s mark EDVISER is nearly identical to the EDVISORS Marks and is likely to cause confusion among consumers as to the source of the goods and services of the parties.

20. Because Opposer has spent vast sums of money in advertising, using, promoting and developing public awareness for its family of marks, the EDVISORS Marks have become well-known as distinctive indicators of the origin of Opposer's services, and the EDVISORS Marks have become a valuable symbol of Opposer's goodwill.

21. The EDVISORS Marks have become synonymous with Opposer.

22. Applicant has filed an application with the United States Patent and Trademark Office to register the mark EDVISER ('343 application) (the "Disputed Mark"), a mark that is virtually identical to Opposer's EDVISORS Marks. The Disputed Mark is confusingly similar in sound, appearance, connotation and commercial impression to Opposer's EDVISORS Marks.

23. Upon information and belief, Applicant intends to use the Disputed Mark in connection with services that are identical, closely related or complementary to the services Opposer provides under the EDVISORS Marks.

24. Applicant's services are presumed to be offered in all channels of trade in which the recited services are generally offered. Such channels of trade would likely include the channels of trade in which Opposer offers its goods and services under its registered marks as well as the same or similar class of consumers.

25. The similarity of the services, channels of trade and consumers further increases the likelihood of confusion among consumers.

26. In view of these similarities and given Opposer's long, widespread, and extensive use of the EDVISORS Marks in association with its services, Applicant's use and registration of the Disputed Mark is likely to cause consumers to mistakenly believe that Applicant's services are approved, endorsed or sponsored by Opposer, or that Opposer is the source of the Applicant's

services, or that the services of Applicant are in some other way associated with Opposer. The use and registration of the Disputed Mark will thereby injure and damage Opposer and the goodwill represented by the EDVISORS Marks.

27. Applicant's use of the Disputed Mark is likely to dilute the strength of Opposer's family of EDVISORS Marks and damage the goodwill represented and symbolized by the marks. The Opposer's marks are widely used, advertised and recognized, and became well-known long before Applicant filed its application or made any use of the Disputed Mark. Applicant's use of the Disputed Mark is likely to cause an association arising from the similarity of the mark that impairs the distinctiveness of the EDVISORS Marks and tarnish the goodwill symbolized by the EDVISORS Marks.

DECEPTION/FALSE SUGGESTION OF CONNECTION

28. The Disputed Mark so closely resembles the EDVISORS Marks that it falsely suggests a connection with Opposer in violation of Section 2(a) of the Trademark Act, because purchasers will assume that the software offered under the Disputed Mark are connected with Opposer.

29. The Disputed Mark is deceptive in that it falsely suggests a connection with or the approval by the Opposer.

30. Based on the foregoing, Applicant's registration of the mark "EDVISER" on the Principal Register of the United States Patent and Trademark Office would clearly cause injury and damage to Opposer.

WHEREFORE, it is respectfully requested that this Opposition be sustained and that the registration sought by the Applicant in application Serial Number 86603343 be denied.

Please recognize as attorneys for Opposer in this proceeding Ms. Alena M. Herranen and the Law Office of Alena Herranen, 4365 Samoset Avenue, San Diego, CA 92117
